

Ohio University AES

Audio Student Workshop @ Ohio University September 10, 2016

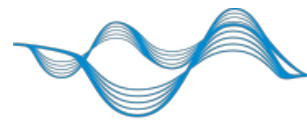

Sponsorship = Support For The Future Of Our Industry

The Ohio University Student Section of the Audio Engineering Society is proud to be hosting the Audio Student Workshop @ Ohio University

This event is a great educational opportunity for students, however without support from organizations like yours, these events just aren't possible.

Why Sponsor?

- Create lifelong relationships with students.
 - Be part of a life-changing event for students!
-
- **Silver - \$150:** Includes access to hang a company banner on site and to distribute promotional material at the Workshop. Both can be accomplished in absentia for Silver sponsors only. Also includes name placement on the Workshop website with a link.
 - **Gold - \$400:** Includes all Silver level perks, as well as use of a table on site for a booth. Also includes name & logo placement on Workshop website with a link.
 - **Platinum - \$800:** Includes all Gold level perks, as well as name & logo placement on all printed materials distributed at the Workshop.
